### Women's two-piece dresses at \$3.98 Women's wash skirts at \$2.98

Made of handsome lawn, in white only. Waist neatly tucked both front and back; V-shaped yoke made of wide insertion; elbow sleeves, edged with Val. lace; collar neatly tucked and also edged with Val. lace. Skirt is an entire new model, finished with deep flounce and trimmed with wide insertion and tucks to match the waist.

### Women's two-piece dresses at \$6.75

Our assortment at this price in both styles and prices is most complete. Little need of alterations, as we have every size from Misses to the Extra Sizes for large women. The materials are mostly Union linens and cotton cloths. One of the best models is made, however, of a fine quality Rep. in white, blue, or black. It is a good circular model; has a neat plaited front, and is finished with trimming of covered buttons and two deep folds of material around the bottom.
